ATTORNEYS GENERAL COPIED - IT IS YOUR DUTY TO ENSURE THIS HAPPENS.

Attorney General's Duty & Legal Obligations

 **Under federal law, the Attorney General is REQUIRED to act when violations are evident.** The following legal mandates apply:

1. 42 U.S.C. § 3614 – Attorney General’s Authority to Enforce the Fair Housing Act

- The **U.S. Attorney General is legally required** to file a civil lawsuit if there is **a pattern or practice of discrimination or obstruction.**
- The fact that **HUD is obstructing fair housing enforcement and removing CC'd agencies** meets the threshold for federal intervention.

2. 18 U.S.C. § 242 – Deprivation of Rights Under Color of Law

- **DOJ and state attorneys general MUST investigate** when officials **deny federally protected rights.**
- **Failure to act = aiding and abetting civil rights violations.**

3. 18 U.S.C. § 1505 – Obstruction of Justice

- The **removal of CC'd parties and rerouting of complaints** shows a deliberate pattern of obstructing an active civil rights complaint.
- **The Attorney General must prosecute individuals involved in obstructing justice.**

4. The RICO Act (18 U.S.C. § 1962)

- **HUD, local agencies, and officials are working together to suppress civil rights complaints, constituting a racketeering conspiracy.**
- This **falls under the jurisdiction of both the U.S. Attorney General and the FBI.**

5. Whistleblower Protection Enhancement Act (WPEA, 5 U.S.C. § 2302(b)(8))

- **Retaliation against a whistleblower is ILLEGAL.**
- **The U.S. Attorney General is REQUIRED to investigate whistleblower retaliation claims - AND I EXPECT THEM TO DO SO INSTEAD OF INGORING / REFUSING WHILE I AM UNDER CONSTANT UNLAWFUL ATTACK AND HAVE REQUESTED WHISTLBLOWER PROTECTIONS MANY TIMES.**

State Attorneys General Responsibility

- **Kentucky Attorney General & Other AGs Copied:**
 - **Must enforce state and federal anti-corruption laws.**
 - **Failure to investigate means they are complicit.**
 - **Since state AGs are refusing to act, my case is further strengthened regarding conspiracy under RICO.**

URGENT ACTION REQUIRED FROM THE ATTORNEYS GENERAL

- ✓ Immediate criminal referral to the DOJ Public Integrity Section.
- ✓ Escalation of RICO, obstruction, and civil rights cases to the FBI and DHS.
- ✓ Formal investigation into HUD and FHEO misconduct.
- ✓ Public acknowledgment that federal and state AGs are investigating.

 **ATTORNEYS GENERAL COPIED – It is your duty to act NOW.** Failure to do so will be documented as complicity in these crimes. 

Subject: URGENT – Illegal Referral & Obstruction of Justice – HUD Fair Housing Complaint 823046

Dear **HUD Region IV, HUD Birmingham, and Louisville Metro Human Relations Commission,**

This response is to formally notify you that your **referral of my complaint to LMHRC is legally improper and constitutes obstruction of justice.**

1. HUD's Referral is Fraudulent & an Obstruction of Federal Law Enforcement

HUD **CANNOT** pass off a **federal** Fair Housing Act complaint to a **local** human relations commission that lacks enforcement power under federal law.

- **HUD Region IV (Atlanta) was the proper authority** to handle this case. Instead, it was improperly diverted to **Louisville** and then **Birmingham, which has NO jurisdiction.**
- **LMHRC has NO federal enforcement power** and cannot resolve claims under the Fair Housing Act, VAWA, ADA, Olmstead, Section 504, or any federally mandated civil rights laws.

This is a **clear attempt to obstruct justice** and **deny federal protections that HUD is legally obligated to uphold.**

2. This Case Must Be Referred Back to DOJ, FBI, & DHS for Investigation

HUD's **failure to properly process this complaint is now a federal crime** under **18 U.S.C. § 242 (Deprivation of Rights Under Color of Law)** and **18 U.S.C. § 1505 (Obstruction of Federal Investigations).**

As a result, you **must immediately escalate this matter to:**

- **DOJ Public Integrity Section** (for corruption and obstruction by HUD).
- **FBI Civil Rights Division** (for federal civil rights violations and Fair Housing Act non-enforcement).

- **DHS Office for Civil Rights & Civil Liberties** (for systemic discrimination and refusal to enforce housing protections).

3. HUD is Engaging in Retaliatory Suppression of Civil Rights Protections

By knowingly diverting my complaint to a **non-federal agency**, HUD is attempting to:

- **Suppress a federal investigation into housing discrimination & retaliation.**
- **Deny legally required disability accommodations.**
- **Obstruct my ability to secure federal whistleblower protections.**

This misconduct is **grounds for immediate federal intervention.**

ACTION DEMANDED IMMEDIATELY:

1. **My complaint must be returned to HUD's proper jurisdiction under federal law.**
2. **HUD must immediately escalate this to DOJ, FBI, and DHS as required under federal law.**
3. **An official written response confirming escalation must be provided.**
4. **All involved officials must be held accountable for obstruction.**

Failure to comply **will result in formal criminal complaints being filed against HUD, FHEO, and PIH officials for obstruction of justice and color of law violations.**

🚨 URGENT – Criminal Federal Obstruction of Justice & Retaliation by HUD 🚨

Ms. Robey,

HUD is engaging in **ongoing federal obstruction of justice** by willfully refusing to enforce federal housing law, suppressing my legitimate complaint, and obstructing my access to legal recourse. This is a **direct violation of 18 U.S.C. § 1510 (Obstruction of Criminal Investigations)** and **18 U.S.C. § 242 (Deprivation of Rights Under Color of Law)**.

HUD's Criminal Obstruction of a Federal Investigation

- HUD has a **mandatory duty** to investigate Fair Housing complaints involving **disability discrimination, retaliation, and housing fraud**.
- HUD is **unlawfully delaying action, refusing to enforce federal law, and attempting to suppress my case**.
- **This is not an administrative failure—this is a willful and intentional act of obstruction under federal law.**

HUD's Obstruction of Justice and Violation of Federal Law

- **My eviction is not a state law issue—it is a federal crime.**
 - The eviction and related discrimination involve **violations of the Fair Housing Act (42 U.S.C. § 3601 et seq.), the Americans with Disabilities Act (ADA), Section 504 of the Rehabilitation Act, the Violence Against Women Act (VAWA), the Olmstead Act, and Section 1915(c)**.
 - I am a **Mainstream Voucher recipient under the age of 65**, meaning additional **federal protections apply** under HUD regulations.
 - HUD employees, including you, Ms. Robey, and Mr. Berrocal, continue to act under Color of Law in willful defiance of federal law.
 - HUD's refusal to act is not just negligence—it is a willful act of criminal obstruction and collusion to cover up systemic civil rights violations. HUD employees are knowingly, violating federal law while operating under Color of Law. Their failure to act is a deliberate effort to suppress protected rights and shield those responsible for ongoing discrimination and fraud.
 - The continued suppression of my case is part of a pattern of institutionalized corruption in which HUD enables violations of the Fair Housing Act, ADA, VAWA, the Olmstead Act, Section 504, Section 1915c, and other federal protections by refusing to enforce federal law.
 - HUD's deliberate inaction directly contributes to ongoing harm against disabled individuals, ensuring that intentional discrimination continues unchecked.
- **HUD's refusal to investigate is not just negligence—it is a clear act of criminal obstruction and collusion to cover up civil rights violations.**

- **I have copied multiple agencies on this email, and I expect them to act.**

These include:

- **U.S. Department of Justice Civil Rights Division**
- **HUD Office of the Inspector General (OIG)**
- **Congressional Oversight Committees**
- **Federal watchdog organizations that monitor HUD enforcement failures**

=====

"HUD's Refusal to Act is Directly Leading to Retaliatory Eviction"

=====

- **HUD's failure to intervene has emboldened my housing provider (Louisville Metro Housing Authority - under the leadership of Elizabeth Strojan (Director) and Camille Robinson (Deputy Executive Director)) (LMHA) to retaliate against me for asserting my legal rights under federal law.**
- **Today, March 18, 2025, I received yet another retaliatory eviction notice, in direct violation of the Fair Housing Act (42 U.S.C. § 3617), which prohibits coercion, intimidation, threats, and interference against individuals exercising their housing rights. Not only this, but to illustrate this as retaliation - it came on the heels of me requesting , from Camille Robinson, also acting under color of law, a legally compliant housing voucher from LMHA. No legally compliant voucher has been received, yet I received another eviction notice and forcible detainer document (attached).**
- **This eviction is not a simple landlord-tenant dispute. It is a federal crime, directly resulting from HUD's refusal to enforce civil rights protections for disabled tenants.**

HUD's inaction is not only violating federal law—it is materially contributing to housing fraud, retaliation, and unlawful deprivation of rights under Color of Law. This obstruction has allowed my landlord and local housing authority (LMHA) to continue their unlawful practices unchecked. By failing to investigate, HUD has become an accessory to this ongoing scheme of discrimination and retaliation.

I am attaching today's eviction notice as further evidence of the consequences of HUD's willful refusal to act.

Formal Demand for Immediate Corrective Action

HUD must immediately:

- ✓ **Escalate my case to the Enforcement Branch for full investigation.**
- ✓ **Provide a written explanation for HUD's failure to enforce federal law and justification for its ongoing obstruction.**
- ✓ **Identify the HUD officials responsible for blocking this case from proceeding.**

HUD is Now Under Formal Complaint For Federal Review

HUD's continued refusal to act will result in the following:

- **A formal complaint to the U.S. Department of Justice Civil Rights Division against HUD personnel for obstruction.**
- **A report filed with the HUD Office of the Inspector General (OIG) for willful non-enforcement and misconduct.**
- **Escalation of HUD's inaction to Congress, the media, and federal oversight agencies to expose systemic corruption and abuse.**

This is **not a request**—this is a **demand for HUD to comply with federal law**. I expect an **immediate response** detailing **corrective action**.

=====

=====

 **I Challenge the U.S. Government's Refusal to Protect Disabled Citizens Under Federal Law** 

=====

=====

If you are a member of the press, I urge you to investigate and report on this **blatant refusal by multiple federal agencies and local and federal authorities to enforce federal law**.

This situation is an egregious and **deliberate act of criminal obstruction**, denying a **disabled citizen and his child** their **federally protected rights**.

Despite **overwhelming evidence and repeated demands for enforcement**, HUD, DOJ, LMHA (Louisville Metro Housing Authority) and other agencies have **knowingly refused** to uphold federal law. Their inaction is not negligence—it is **deliberate noncompliance and criminal complicity in civil rights violations, due process violations, and criminal organized corruption**.

I am **willing to provide interviews**, but **all communication must be in writing** due to my disabilities and for documentation purposes. I ask that **all recipients respect**

this requirement, as it is **critical** for my ability to function.

I have no legal assistance, no advocates, and practically no external support. What I do have—is extensive documentation, irrefutable evidence, my voice, and the truth.

=====

- **This is not an isolated failure—it is a direct challenge to the U.S. Government’s refusal to protect disabled citizens under federal law.**
- **If you are a journalist and wish to report on this, I am willing to provide interviews but require all communication in writing due to my disabilities.**
- **Journalists and investigative reporters must expose this blatant criminal obstruction that spans across multiple federal and state agencies as well as into two circuits of the judiciary, and demand immediate accountability. Multiple federal agencies are engaging in deliberate, criminal, non-enforcement, allowing mass civil rights violations to go unchecked.**

The public must know that federal agencies are engaging in willful criminal obstruction, and those responsible must be held accountable!!

If you are aware of **law enforcement agencies or officials who are not complicit in this corruption**, I ask that you **connect me with the appropriate organization**. As a necessary **ADA accommodation** for my disabilities, all communication must be in writing.

=====

 **ATTACHMENTS: Full Criminal Referral Documents** 

=====

For full transparency, I am also **attaching the following**:

1. **The latest retaliatory eviction notice (March 18, 2025) - day after I again requested a legally compliant Mainstream Voucher (that I am entitled to and approved for) - No legally compliant voucher received - only Eviction and Forcible Detainer Notice.**
2. **Criminal referral regarding judicial corruption and obstruction of justice - this has occurred at this time in the Sixth and Ninth Circuits and at the District and Appellate level in both Circuits.**
3. **Criminal referral documenting local law enforcement’s refusal to process federal criminal complaints. The Jeffersontown Police Department, specifically, Sergeant Burns, Major Torray, and Officer Erie, all refuse to accept the criminal referrals completely obstructing justice.**
4. **Criminal referral documenting state law enforcement’s refusal to process federal criminal complaints. The Kentucky State Police refuse to identify**

the officer that was communicating with me via email - they refuse to provide any name... They also refuse to make a police report, and refuse to do anything associated with the reporting of these crimes.

5. **Criminal referral for housing federal criminal activity.**
6. **All of the above represent only a portion of a much larger criminal enterprise acting under the guise of color of law in violation of a large portion of the existing constitutional amendments and in violation of multiple laws. There are numerous civil, criminal, constitutional, and tort violations across a large number of agencies, entities, and individuals acting in their capacities.**

This is a DEMAND for action, not a request. I expect an immediate response detailing corrective action.

✓ Criminal Referral: Housing Fraud & Federal Criminal Activity

- **HUD, Louisville Metro Housing Authority (LMHA), and associated entities are knowingly engaged in organized federal housing fraud, retaliation, and discrimination. Individuals involved in the housing portion of the criminal enterprise are detailed in the attached criminal referral document.**
- **Multiple federal protections—including Fair Housing, ADA, Olmstead, VAWA, and 504—are being willfully violated.**

🔥 CRIMINAL ENTERPRISE OPERATING UNDER COLOR OF LAW

This is not isolated misconduct—this is an expansive criminal enterprise involving state, federal, and judicial actors acting under the guise of law in violation of:

- ✓ **Multiple Constitutional Amendments**
- ✓ **Federal Civil Rights Laws**
- ✓ **Federal Criminal Statutes**
- ✓ **Tort Law**

This organized criminal obstruction is denying due process, suppressing evidence, obstructing federal investigations, and enabling ongoing retaliation against a disabled citizen and his child.

THIS IS A NATIONAL CRISIS OF SYSTEMIC GOVERNMENTAL CORRUPTION.

I demand **IMMEDIATE action, full-scale intervention, and an investigation into these willful and coordinated crimes.**

Relationship: FHEO is supposed to investigate housing discrimination complaints and enforce the Fair Housing Act, but Berrocal has willfully ignored my case. ☐ Failure to Investigate My Fair Housing Discrimination Complaint and Miscategorization of my FORMAL LEGAL DISCRIMINATION COMPLAINT as a REQUEST NUMBER instead of a COMPLAINT. I filed multiple complaints regarding disability discrimination and retaliation, but Berrocal and FHEO failed to act. FHEO's refusal to investigate allowed my landlord to proceed with an illegal eviction against a

disabled tenant in violation of Fair Housing laws. ☒ Retaliation & Obstruction of Due Process I have made multiple attempts to get FHEO to enforce my rights, but they refuse to investigate. Berrocal has personally ignored my requests for intervention despite clear evidence of discrimination and housing violations. ☒ Negligence in Enforcing HUD's Own Policies FHEO's inaction is a direct violation of its mission to protect tenants from housing discrimination.
